Thank you June, we received the power point materials.

Regarding the call on Thursday Dec 10, I will see if I can secure a conference line for 11:00 am - 1:00 pm HST. I should be able to find out later this morning. For our office, Tom Huetteman and I will participate. Will the folks from AECOM be participating?

Bob

Thank you June, for these and for the raw data you sent earlier. One more question, will we be receiving

Hi Bob and Steve,

Attached are 2 documents for Section 6 and 7 that we all worked on this week. Both versions (pdf and Word) are attached for your convenience. Providing these documents to continue our collaboration. Our understanding is that as preliminary and "Privileged," neither document is suitable for distribution outside the NDA parties until all parties formally agree on the accuracy.

1. Highlights from the Scoping Meeting  
- document includes the agreed, undecided, parking lot, and action items
2. Task List  
- document lists the agreed upon tasks that will shape the Scope of Work (i.e. Work Plan) for Section 6 & 7.

Thank you,  
June
